# R&B Liaison Committee

## NPAC Working Group

---

- **Develop Mission – Ron Mayworm**
  - Working Group to develop updated mission statement and goals.  
Action Item #RB-002-20080211
  - **Mission:** The goal of this working group is to assist regional planners in the ongoing operations of their regions.
  - The focus will be on prompt notification to regional planners of issues affecting their operations, reviewing and updating the NCC regional planning documents, and providing an interregional dispute resolution process.
  - The objectives are:
    - To periodically review the NCC documents, updating and disseminating them as necessary and appropriate
    - To provide the interregional dispute resolution process that is called for in many 700 MHz regional plans.
  - **Next Action:** Board Approval

# R&B Liaison Committee

## NPAC Working Group

---

- **Resolution Process – Ron Mayworm**
  - Develop a Dispute Resolution Process, and review / approve documents of NPAC organization.  
Action Item # RB-003-20080211
  - **Status 9/16/08:** Final document is complete.
  - **Next Action:** At the September meeting, discuss posting it on the web site or other appropriate location so regional planners can access it, and close item.

# R&B Liaison Committee

## NPAC Working Group

---

- **NCC Reports – Ron Mayworm**
  - Review NCC Reports for open issues that need to be addressed.  
#RB-004-20080211
  - **Status 9/16/08:** Ron Mayworm is drafting the necessary substantive changes for review and approval.
  - **Next Steps:** Target date for draft is 10/31/08.

- **District Reports**
  - East Coast – Jay Groce
  - North Central – Bill Carter
  - Gulf Coast – John Johnson
  - West Coast – Mark Schroeder
